Dr. William Stokes, Director
NICEATM (MD EC-17), NIEHS
PO Box 12233
Research Triangle Park, NC 27709

Dear Mr. Stokes:

I am writing today to ask you to begin efforts to completely replace lethal dose testing with non-animal, in vitro testing methods. I know your group is moving in the right direction and you're almost there, so don't stop now. The animals are counting on you and so am I.

Sincerely,

Judi DiPillo
